The war between Specia and Arnhem now reaches the sea after the selkies discover the Mystical Conch Shell of the Sea has been stolen. Selliki the selkie sets out to find it, and Gabrael, the mage she loves. No union between a selkie and a human has ever had a happy ending, but neither can ignore their feelings. Each night, they experience terrible, real dreams that show how doomed their love is. Add the war, and their love is impossible. Only one kingdom will prevail; that is, if the world doesn't end.
