Junior Jordan has a talent for shooting at targets and a mad crush on his new piano teacher, Conrad. In Junior's rural southern hometown, that's enough to get a boy into trouble. Piano Lessons is a gay teen romance set in the rural south of the 1950's, wherein Junior gets the boy (judge's son, pillar of the community with high ambitions), loses him to the girl ( a hot yet deadly homecoming queen), then finds the boy of his dreams: the moonshining son of a preacher who gives Junior the courage to truly be himself.
